Alphabet Book

As part of your study of the the Manifest Destiny and the Road to the Civil War (about 1835 to 1859) you will create an “Alphabet Book” which explains many of the complex terms, people, events, places, and concepts associated with this dramatic era of history. You are to use meaningful words and phrases from the materials used in class, as well as from assigned readings and in-class notes. You may turn these projects in or email them to me at abeckman@piedmontclassical.com

NOTE: If you email me. Your subject line *must* say “First Name Last Name Manifest Destiny Project” Failure to do so will take 10 points off.

For example, if your name is John Smith the email subject line should read:

“John Smith Manifest Destiny Project”
